YOEMEN OPEN SEASON PLAY FRIDAY

YOEMEN WILL TAKE ON WEST TROJANS

The Yoemen will open their 1950 football season Friday night September 8 against the West Trojans there.

The Yoemen defeated West in Cameron in 1949 14-0 and the game this year is to be played in West.

Coach Paul Smith reported Tuesday that the squad is in fine shape and are ready for the game. There were no comparable statistics on the two teams but indications were that Cameron will have better than an equal chance to win the game.

West was rated highly last year but failed to come through as expected and fell before the Yoemen and went on to a disastrous season while the Yoemen came to within one point of winning the championship.

The big question mark this year is the Yoemen Line since graduation took away nearly all of the best men. Both starting ends are back this year and Denson Ermis, a veteran has been shifted over to center.

John Sheehan who did not play in 1949 will be at guard position this year. Only eight members of the 1949 squad returned this year because graduation took a heavy toll.

An official roster of the Yoemen of 1950 has not been made available to this newspaper and weight statistics cannot be given at this time. The backfield should be better in 1950 but the line is lighter averaging around 170 pounds.

Starting lineup for the game is as follows; ends, Joe Johns and Frank Malone; tackles, Bobby Stanislaw and Marvin Allen; guards, John Sheehan and John Rice; center, co-captain Denson Ermis; backs, Eldon Batte, Eddie Lankford, Glen Rosenberg and Alton Logan.

Tickets for the game Friday will be on sale Wednesday and Thursday at Cheeves Bros. and reserve season tickets are still on sale at this store.

BODY WRECK VICTIM IS TAKEN TO IOWA

Funeral services for Frank Floerchinger were to be held in West Branch, Iowa upon arrival there of the body, placed aboard the Santa Fe Chief Sunday morning.

With the body of her husband was Mrs. Floerchinger who was seriously injured in the crash Thursday morning at the intersection of Highways 77 and 36 east of the city.

Four other persons were injured in the wreck but all were reported by Dr. J. L. Walker, attending physician, to be making progress.

Mrs. Floerchinger whose condition was regarded as critical throughout Thursday night was not told immediately of her husband's death, but on Saturday she learned of the tragic consequences of the wreck in which her husband was fatally injured.

Buckholts Schools To Open September 11th; Band Director Reports

Buckholts school will open Monday, September 11, at 8:00 a. m., Mrs. Coy Arledge, Superintendent has announced. All classes will meet regular schedule at the time and lunch will be served.

The faculty is complete and for the first time has the addition of a band director. W. H. Lange of that city has been named to organize a school band.

The lunch room will be in charge of Mrs. Johnnie Stoenner and Mrs. Fritz Senkel. Mr. Senkel and Frank Tomasek will act as bus drivers.

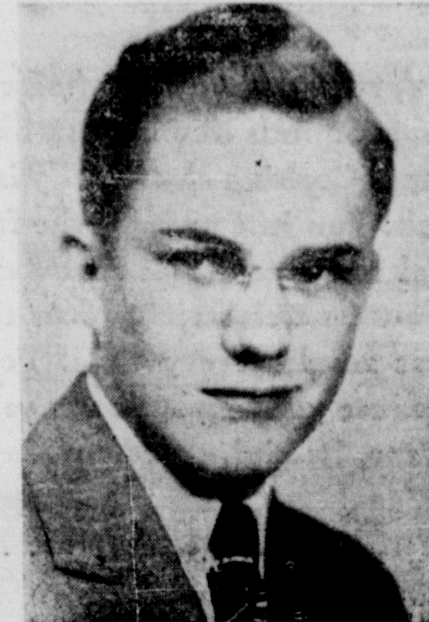

During the summer months the buildings have been painted and the lunchroom has been redecorated.

The faculty is composed of Miss Mary Walschak, Mrs. Denton House, Mrs. W. O. Whittington, Mrs. Rodney Baker, Mrs. Vess Young, Mrs. Bertie Love, Cornelious Tittsworth, Oscar Benold, Horace Whiteside, Mrs. Arledge and Mr. Lange.

Baptist Promotional Rally Milano Friday

Milam County Baptist will hold a promotional rally at Milano Friday, September 8. This meeting is one of over one hundred being held throughout Texas.

The people will hear such distinguished speakers as Dr. Porter M. Bailes of Tyler, George Brown of Temple and W. L. Shuttlesworth of Houston.

The meeting will begin at 2:30 and recess at 4:50. The night session will convene at 7:00 and will be out at 8:50.

Rev. P. A. Corkern, Pastor First Baptist Church is Moderator for Milam County.

TOTAL STUDENT BODY MAY BE 1,200 HERE

Cameron Public Schools opened for the 1950 Fall term Friday morning.

In the High School 330 were enrolled and approximately 500 at the Ada Henderson Grammar School. These figures would indicate that around 900 students were in the White Schools on opening day.

Enrollment at the O. J. Thomas negro school could not be ascertained but indications were that the total student population for the year would be around 1200 and will be an increase over 1949 enrollment.

Books were to be issued Friday and students were to be instructed about classes and schedules and the actual work of the new term will get underway Monday.

Superintendent W. T. Hanes was well pleased with developments and indicated that all was in order for a successful term.

The faculty is fully staffed and all teachers were on hand for the opening on Friday.

Pvt. Wayne E. Talafuse who has been stationed at Fort Ord, California is spending a furlough in Cameron with friends and relatives. Pvt. Talafuse will be stationed at Maryland and will leave for the State Thursday of this week. He is the son of Mrs. Oran Talafuse of Cameron.

Lieut. Charles Green Wounded In Korea

Lieutenant Charles Green of Cameron has been wounded in action in the fighting in Korea, it has been announced here.

According to information reaching this newspaper, Lieutenant Green received slight wounds but nothing serious.

Lieutenant Green is the son of Mrs. Mary Green and Eugene Green, and grandson of Mayor A. N. Green.

He has been at the front in Korea ever since the fighting began and friends in Cameron will be glad to know his wounds are not serious. It was understood he has returned to active command of his troops.

2 Negroes Are Fined For Drunk Driving In County Court Here

Two negroes charged with driving automobiles while drunk have been fined in County Court.

Harlee Robert Cartwright, Austin negro, was fined \$50.00 and Howard Green, Corsicana negro, was also fined \$50.00 when they entered pleas of guilty before Judge Dan Tyson.

County Attorney, Ed Gunn, prepared the complaints on which the men were arraigned in County Court.

A fine of \$50.00 is the smallest that can be assessed in a drunk driving conviction upon a plea of guilty. The maximum fine is \$500.00. Under the law license to drive an automobile is automatically suspended and is a fixed part of the penalty.

65 Per Cent Men Called For Physical Being Accepted

Milam County's military man power is increasing its desirability over World War II with only about 35 per cent of men being rejected.

Loretta Brock, chief clerk at the local draft said that 57 men have been sent for physical examination and 16 have been rejected.

The first induction call will be on September 29 with 9 men to report for service with the army.

Ben Hardie Bailey Is A & M Graduate

Ben Hardie Bailey, son of Mr. and Mrs. Bob Bailey received his BS Degree at the summer graduation exercises on August 25 at A & M College.

Mr. Bailey majored in Agricultural Education. His college work was interrupted in 1944 when he joined the Navy and was overseas 15 months and after the conflict ended he continued his college work.

Mr. Bailey is in the Navy Reserve and is expecting to be called any day with the fleet. He is the grandson of Mr. and Mrs. B. F. Bailey.

TAEGU IN PERIL AS REDS SLASH THROUGH

TOKYO, Wednesday, Sept. 6—North Korean forces rolled back the United Nations northern defense line and captured Pohang today, but an allied counterattack loosened their grip on the vital communications center of Yongchon.

Slashing through the South Korean Eight Division's left flank, the Reds early this morning captured Yongchon, 20 miles northeast of Taegu, to grab control of key highways and a railroad. But shortly after noon an American officer at Kyoungju said "friendly forces are back in the city."

Taegu, keystone of the U. N. defense line, is in direct peril.

One of the two main highway and double-tracked rail lines supplying Taegu was cut.

Staff officers described the situation (turn to page six)

STORAGE BUILDING IS LARGEST PERMIT ISSUE

Building permits in the City of Cameron for the month of August totaled \$53,360.00 it was announced Monday morning by W. H. Stafford, City Secretary.

The total is for residential construction and takes into account permits for six homes one of which is the new home of Dana Kestenbaum being built on North Harding Street in the Green Addition, the stated cost being \$18,000.00.

Other homes included in the permits for August are; Mrs. Antoine Skalik, J. R. Sever, Pete Esquivel, Mrs. Frances Kincher and Cozine Shuffield.

The largest single permit for the month was for the new grain storage building constructed by Gillis Graham at a cost of \$25,000. This building is located near Sante Fe railroad in the South West portion of the City and is already in operation.

Permit totals for the month of August is the largest for any one month of 1950 and will boost considerably the already impressive total.

MURFF TYSON FUNERAL AT MAYSFIELD TUESDAY

Murff Tyson, 56, native resident of Milam County died in a Galveston Hospital Sunday September 3 at 10 P. M.

Mr. Tyson had been a patient in the hospital for about three months and while his condition was known to be serious, news of his death came as a shock to many in the city and at Maysfield where he was born and reared.

The body was due to arrive in Cameron sometime Monday and will be at the Marek-Burns Funeral Home.

Mr. Tyson was a member of a prominent pioneer family and was widely known in this section. He was a veteran of World War I and was active in Veterans organizations.

Funeral services were to be held at the Maysfield Presbyterian Church by Rev. H. M. Bailey, former pastor of the church. Interment in the Pebble Grove Cemetery with Marek-Burns directing arrangements.

Surviving are his widow Mrs. Belle Tyson, two sons Charlie Frank and George Hall Tyson, one daughter Mable Ruth all of Maysfield, four sisters, Mrs. J. C. Freeman and Miss Mable Tyson of Maysfield, Mrs. M. D. Moseley of Beaumont, Mrs. Ola McGuire of Hollywood, California, one brother, Hall Tyson of Houston.

Pioneer Woman Here Injured In Car While Returning Home Friday

Mrs. N. J. Smith, pioneer resident of Cameron and Milam County was painfully injured last Friday September 1.

Mrs. Smith was returning to her home in Cameron with Mr. and Mrs. R. L. Storey after a ten day visit with friends and relatives in Corpus Christi and Houston. Mr. Storey, son of Mrs. Smith and driver of the car had to make a detour on the new road, now under construction near College Station when suddenly the car ran into a hole, unseen by Mr. Storey and threw Mrs. Smith from the seat, injuring her back.

Mrs. Smith was taken to the Newton Memorial Hospital and it was reported Tuesday morning that she is resting well. Her many friends are wishing her a speedy recovery.

Guests in the home of Mr. and Mrs. F. J. Beckermann over the week end were their daughter and son-in-law, Mr. and Mrs. Sam Porter and sons.

GRAND JURY RETURNS 9 INDICTMENTS HERE

Five indictments for second offense, driving an automobile while drunk, have been returned by the Grand Jury in District Court here.

In all, the Grand Jury returned nine indictments, two of them for burglary and two for forgery and passing forged instruments.

The Grand Jury was in session a day and has adjourned, it was announced by County Attorney Ed Gunn.

In the bill returned for drunk driving all were refused pleas of guilty, and their cases were handed over to the Grand Jury, because second offenders are not classified with those who break the law for the first time. The Grand Jury returned an indictment last year for second offense, drunk driving, and a jury in District County acquitted the defendants.

The following indictments have been returned:

Jewell C. Banks, Forgery and passing forged instruments; Zettie L. Walton, Forgery and passing forged instruments; Andy Reed, Burglary; Robert Eugene Foster, Burglary; Joe Wendell Branener, drunk while driving, second offense; Joe Surita Pena, drunk while driving, second offense; Ralph Hubert, drunk while driving, second offense; Homer Grady Jones, drunk while driving, second offense; J. E. Whitley, drunk while driving, second offense.

MRS. C. M. MULLINAX RITES HERE TUESDAY

Mrs. C. M. Mullinax, 76 year old pioneer, died at 10:00 p. m. Sunday, September 3 in a local hospital.

Mrs. Mullinax had been ill for the past six weeks but her condition became critical some days ago and an effort to prolong her life surgery was performed.

Mrs. Mullinax was a native of Milam County and had lived in Cameron all of her life.

Funeral services were to be held Tuesday afternoon September 5 from the North Central Church of Christ by Rev. Bill Minick, pastor, assisted by Rev. Horace Harstell. Interment in the cemetery at Salem with the Green Funeral Home directing arrangements.

Surviving are her husband, C. M. Mullinax, five daughters Mrs. H. V. Nicks of Willington, California; Mrs. S. M. Carter of Houston, Mrs. I. G. Gorney of Houston, Mrs. R. P. Gregory of San Antonio and Mrs. R. A. Devers of Cameron; one son A. L. Mullinax of Cameron. Ten grand children and ten great grandchildren survive.

PARKING METER FUND WRECKED BY RAISES

If you want your salary raised at intervals, get a job with the city.

It is easy. All you have to do is request it. The city, at first, had a good prospect of realizing some permanent benefits from money coming in from parking meters, but after the City Council meeting Tuesday night, this fund may have been wiped out to a large extent.

Here is what happened: Ralph Michalka, Fire Chief, requested an increase of \$25 per month in the salary of Frank Richter, truck driver, and \$25 per month increase in the salary of Bill Richter, assistant driver.

The finance committee held a meeting sometime prior to the council session and decided to recommend an increase of \$25 per month in the (turn to page twelve)

EARLY MORNING CRASH TAKES HEAVY TOLL HERE

One man is dead and his wife is critically injured while three other occupants of an automobile are seriously injured as the results of a crash at the intersection of Highways 36 and 77 east of the river at 6:45 a. m. today.

The dead are: FRANK FLOERCHINGER, of West Branch, Iowa.

Critically injured are: MRS. HELEN FLOERCHINGER of West Branch, Iowa.

Seriously injured are: MRS. E. W. HARDWICK, West Branch, Iowa.

ALBERT J. HELMER, of Pharr, Texas.

J. E. CURL, of McAllen, Texas.

Mr. Floerchinger, age 54, died in St. Edward Hospital within one hour after he had been picked up along with other victims of the wreck by a Marek-Burns ambulance. His wife, the most critically injured of the other occupants of the car was not expected to survive through the day.

Dr. J. L. Walker and Dr. Marvin Bartlett were treating the patients and all had been in surgery.

The other three occupants were doing as well as could be expected.

The wreck occurred when J. E. Curl, driver of the car, while approaching the intersection moved in the path of a truck, operated by Temple Coal and Feed Mills and driven by Johnnie Lee Riley, negro of Temple. The car driven by Curl was moving north on its way to Cameron and the truck was going south on Highway 36.

Riley, driver of the truck sustained a slight leg injury and was treated at the hospital.

O. D. Lewis, of the Texas Highway Patrol, stationed in Cameron went to the scene of the wreck shortly after it occurred. Mr. Lewis said a probable cause of the wreck was an early morning rain, obscuring the approach of the truck.

Highway 77 merges with 36 on a left hand turn at the intersection and when the crash occurred the Curl car had moved out in the path of the truck. The car was partially demolished and the truck was also badly damaged.

The impact of the collision knocked the car several feet down the highway.

ARMY WANTS BIG LAB LOCATED NEAR CAPITAL

WASHINGTON, Sept. 2— With a large number of cities in Texas, Louisiana, New Mexico and other Southwestern states offering free sites of considerable value to the army quartermaster corps for location of the \$11,000,000 research center, Texas congressmen were chagrined this week to learn from the site selection board that the army is determined to have the center "overnight from Washington."

Rep. W. R. Poage, Waco, said: "I guess that lets us out. It is certainly a shame and there is absolutely no need in locating the research center so near Washington. It simply means that the army wants to staff it with men from here."

Rep. J. M. Combs, Beaumont, said: "Lufkin in my district is overnight from Washington, by air, but these birds act like they want it in walking distance. I don't think they want to move off their waffle bottoms from the Pentagon."

Poage accompanied Oxcheer Smith, Cameron, to plead for the location for the Cameron Chamber of Commerce. Poage pointed out that Belton, also in his district, is a contender, too.

There are 278 sites proposed in 40 states.

The site selection committee will meet Sept. 15 to consider the proposals, rather than Sept. 8 as previously announced.

The committee is composed of: chairman, Blake R. Van Leer, president of Georgia Institute of Technology; Chester M. Alter, dean of the graduate school, Boston University; H. S. Coleman, assistant director, Mellon Institute of Industrial Research, Pittsburgh; Donald H. Loughbridge, office of assistant secretary of the army; Gilbert Scribner, Winston & Co., Chicago; and John J. Traynor, assistant vice-president of the Mutual Life Insurance company of New York.

The following additional Texas cities have offered sites: Athens, two sites; Brownwood; Chilton through postmaster Robert A. Goelzer; Dallas through Moser and company, realtor; Fort Worth, five sites; Palestine, five sites; Whitney.

In Louisiana, Baton Rouge has offered six sites, New Orleans three and Shreveport, one.

Patsy Biervenu, daughter of Mr. and Mrs. L. W. Thompson is among the patients ill and in Newton Memorial Hospital.

Mr. and Mrs. Frank Bybee of San Antonio were week end guests of Mrs. Mary V. Posey. They visited Mr. and Mrs. Earl Adriaan in Temple Saturday.

Cecil Laywell, Highway Patrolman of Katy spent the past week visiting relatives in Cameron.

Mr. and Mrs. A. D. Miller and daughters of Houston are visiting Mrs. Miller's parents, Mr. and Mrs. O. E. Swift and other relatives here while on vacation.

Six Soldiers Facing Court Martial For Beating Cameron Man

Six soldiers are facing court martial at Fort Hood in connection with a recent brutal attack on James R. Gregory of Cameron, it was said here by Sheriff Carl Black.

Captain Burgess from the Fort Hood Provost Marshal's office, was in Cameron Friday concluding an investigation but it was understood that Gregory declined to make a statement.

Gregory was treated at a local hos-

pital at the time of the attack but Sheriff Black released the soldiers because he said they told him they found Gregory on a roadside on the night of July 4 and took him to the hospital.

Gregory claimed at the time the men beat and robbed him and threatened to drown him in the river. Subsequent investigation, according to the sheriff, has revealed the true facts.

Friday night soldiers from Fort Hood attacked Ben Kennon outside his bar when he ordered the men away because they had attempted to

create a rough house. Kennon was slightly injured but not seriously hurt as first reported.

Mr. and Mrs. Vernon W. Dyer and sons of Springfield, Missouri, and Mrs. I. A. Dyer of Minerva were Thursday visitors in the home of Mrs. Arisman.

Miss Joyce Cryer from Kermit, Texas was a recent visitor in Cameron.

Miss Norma Lunsford is spending several days this week with relatives.

when you cook on a modern automatic

Electric Range

Imagine being cool, relaxed and rested after preparing a lavish seven-course dinner. Sounds like fiction, but it's fact... with a new electric range! Cooking electrically is now a small matter of turning a switch. You just prepare the food... set the automatic oven control that maintains an even, uniform heat... and dependable, low-cost electricity does the rest. No fuss, no bother... perfect results every time. Your kitchen remains degrees cooler, because your electric range is insulated to keep heat inside. Then, too, its high-speed cooking units are in direct contact with the cooking vessel, so very little heat escapes around or up the sides. No wonder, the happiest, best cooks choose modern electric ranges!

Marian Bain Hall Becomes Bride Of Mr. Dyer In Austin

Marian Bain Hall, daughter of Mr. and Mrs. D. K. Hall of Cameron became the bride of Sherman Eldon Dyer Jr., son of Mr. and Mrs. S. E. Dyer of Corpus Christi in a double-ring ceremony by candlelight in the Presbyterian Theological Seminary Chapel in Austin Thursday evening August 31.

The Rev. John Bardley officiating at the service.

Flanked by candelabra and palms, the altar was decorated with a basket of mixed flowers.

"Because" and "At Dawning" were sung by W. A. Triggs, accompanied by Miss Virginia Decherd, organist. Miss Decherd also played "Ah Sweet Mystery of Life," "I Love Thee" and "O Perfect Love."

The bride was given in marriage by her uncle, James A. Bain of Houston. She was attired in a ballerina-length dress of blue organdy over matching taffeta, designed with elbow length sleeves and Peter Pan collar. With horizontal tucks accented the bouffant skirt and the molded bodice, which was fastened to the waistline in front with tiny buttons. She wore mits of blue organdy and a half hat of blue maline trimmed with lilies of the valley. Her bouquet was of baby orchids, stephanotis and lilies of the valley.

A yellow organdy dress styled like the bridal gown was worn by the matron-of-honor, Mrs. Phillips of Selma, Alabama. She wore matching mits and a yellow organdy half-hat trimmed with blue asters, and carried a bouquet of blue asters.

Jack Hardin, brother-in-law of the bridegroom, served as best man. Ushers were Charles Nicol of Fort Worth and Pat Porcelli of Chicago.

Green Pastures was the scene of the reception. The brides table was centered with an arrangement of white flowers flanked by silver candelabra and punch service. The double-ring cake was decorated with orchids and lilies of the valley.

Included in the house party were Mesdames James A. Bain, Jack Hardin, W. C. Childs and Misses Frances Combs and Linda Perkins.

The bride's mother, Mrs. Hall, wore a brown crepe dress complemented by a moss green hat trimmed in brown. Mrs. Dyer, mother of the bridegroom was dressed with a pink crepe frock with black accessories.

After a two-week trip to Lima, Peru and Buenos Aires, Argentina, Mr. and Mrs. Dyer will be at home in Austin. For travel the bride chose a silk shantung suit in toast brown, accented by beige hat and gloves and blonde alligator shoes and bag.

The bride received a bachelor of arts degree from the University of Texas. She is now employed in Austin by Braniff International Airways.

The groom also has a bachelor of arts and bachelor of science degrees from the University of Texas, and now is a candidate for a doctor of philosophy degree from the University.

Mr. Dyer is an instructor in the pure mathematics department of the University of Texas.

Those attending from Cameron were Mrs. L. Van Perkins and daughter Linda, Mrs. Howard Baskin, Mrs. Oscar Patillo and Mrs. Bob Bailey.

Miss Rebecca Corkern Honored With Birthday Party

Little Miss Rebecca Ann Corkern, daughter of Rev. and Mrs. P. A. Corkern, celebrated her third birthday Saturday, August 26, with a party on the lawn at the Corkern home.

Each child fished from a make believe pond for his favor, and the guests were entertained with the playing of several ring games.

Those who came to wish Rebecca many happy returns of the day and to wish her many, many more happy birthdays were members of the two year old class from the Nursery Department of the Sunday School at First Baptist Church and were as follows: Frankie and Bobby Dorner, Paul Edmonds, Ralph Haraway, Patricia Marburger, Richard Moseley, Barbara Nicholson, Leon Roley, Nancy Schiller, John Edd Todd, and Lynn Welles.

The hostess, Mrs. Corkern, served ice cream and cake to the many little guests. The cake was very beautiful as well as unique with its snowy white icing and pink decorations. It was baked in the figure of a large "3" and boasted three gleaming pink candles. The little honoree was the image of happiness in her white dress accented with a touch of pink.

As the guests left the scene of the festivities, they were presented with pom poms of pink, blue, and white paper and horns of pastel color.

Many lovely gifts were received, and to express her appreciation, Rebecca thanked everyone in her own little fashion.

Miss Myra Winfield Edwin Lansford, Jr. Are Married In Austin

Miss Myra Winfield became the bride of Edwin Lansford, Jr. on the night of July twenty-second. The marriage rites were performed in the home of the bride's mother, Mrs. Ben Winfield, 1909 Rio Grande Street, Austin. Only immediate members of the families attended the wedding.

Rev. A. E. Rieman of Riverview Baptist Church of Houston, uncle of the groom, performed the candlelight ceremony. The large fireplace provided a lovely background and was decorated with an arrangement of fern, white gladioli and white daisies, flanked by candelabra with white candles.

The bride was given in marriage by her uncle, Sol Sidder of Austin. She wore a white ballerina length dress of imported, all-over embroidered Swiss organdy over pink taffeta. Her dress was trimmed with a shirred waist band of pink taffeta. She wore a pearl necklace with her corsage of tube roses. Her hat was of pink straw with pearl trim.

Mother of the bride wore a semi-sheer dress and corsage of red rosebuds. Mother of the groom wore a navy and white print dress and corsage of white carnations. The groom's grandmother wore a blue and yellow print dress and corsage was of baby chrysanthemums.

Following the ceremony, the bride's mother served supper to the bride and groom and the guests. The table was decorated with coral wreath and pink candles in silver candelabra.

Out-of-town guests were Rev. and Mrs. A. E. Rieman and daughters, Grace Sue and Frances Ann, Mr. and Mrs. E. M. Lansford, Sr., and Mrs. Louise Rieman of Houston; Mr. Weems of Galveston; Mr. and Mrs. S. Kestenbaum, Dana Kestenbaum, and

Milton Winfield of Cameron and Mr. and Mrs. Louis Hausmon of Brenham.

Mr. and Mrs. Edwin Lansford, Jr., are at home at 1607 West Ave., Austin.

The bride, daughter of Mrs. Ben Winfield and the late Ben Winfield, was an honor graduate of Yoe High School of Cameron. She received her Bachelor of Science Degree from the University of Texas and her Master's degree from the University of Illinois. She is a member of the Iota Sigma Pi Honorary Chemistry Society, the Sigma Xi Scientific Society, and the Alpha Lambda Honor Society. The past year she was employed as a research chemist by the Colgate-Palmolive-Peet Company of Jersey City, New Jersey.

The groom is the son of Mr. and Mrs. Edwin Myers Lansford, Sr., of Houston. He attended the Rice Institute of Houston for his Bachelor of Arts Degree, and he also has a Bachelor of Arts Degree from the University of California, Los Angeles. He is completing work on his Doctor of Philosophy Degree at the University of Texas. He is a member of the Phi Lambda Epsilon Honorary Chemistry Society, Sigma Xi Scientific Society, Phi Beta Kappa and the American Chemical Society.

The Price Twins Are Hosts at Party Here

Dorothy Merchant Is Honored At Shower In Hearne Monday

Miss Dorothy Merchant, bride-elect of Gus Edward McLane, was honored by Mrs. F. G. Blake with a miscellaneous shower at her home in Hearne Monday night, August 28.

Mrs. F. G. Blake and the honoree greeted the guests at the door, and Miss Jean Kirk of Cameron presided at the bride's table and directed the registering of the guests.

A refreshment course consisting of punch, cookies, chicken salad sandwiches, potato chips, and olives was served to approximately 30 guests. Virginia McCollum served the punch. A centerpiece of lovely white asters adorned the table covered with snowy white linen table cloth. The napkins were inscribed Dorothy and Gus.

The many beautiful and useful gifts received by the bride-elect were displayed on a large table also covered with a linen cloth.

Colorful seasonal flowers and pot plants lent beauty to the house for the occasion.

Out-of-town guests were Mrs. C. C. Kirkpatrick, Roasharon, Texas; Mrs. Ed Gunn, Mrs. G. W. McLane, Miss Jean Kirk, Mrs. Gene Blake, and the honoree, Miss Dorothy Merchant from Cameron.

Milam Doctors Face Army Medical Calls; Draft Order Determined

Current consideration of pending draft legislation and the law now in effect will take their toll of Doctors in Milam County.

Doctors who were in training during the last war will be called up first. Doctors who were in training and who had limited service will be called up second. Ages will then determine the order in which doctors will be called up. There is also the factor of dispensability.

A conference between the Advisory Board of the Texas Medical Society and the Surgeon General of this military area was held in Austin recently and Dr. Clifford Swift and Dr. David Shapiro were representatives.

Heading the list of doctors for draft priority are Dr. Marvin Bartlett and Dr. J. L. Walker of Cam-

eron.

In the late war Dr. Bartlett was in training to become a doctor and Dr. Walker was in the Navy program and completed his medical education in time for a limited service with the Navy.

All other Doctors in the County are either veterans of the late war or have passed the military age.

Mr. and Mrs. Steve Marak of Valasco and family were visitors in the home of her mother, Mrs. Joe Mondrik here a few days this week.

Mrs. Adolph Winfield and son, Benjie Ray have returned to their home in Cameron after a three day visit in Austin.

Debbs Fisher and E. F. Westbrook of Houston spent the week end visiting W. O. Fisher and daughter, Vera.

Miss Edith York has accepted a position with the Duke & Ayres Store in Cameron.

DISTURBANCE BOILS UP OFF LOUISIANA COAST

An expanding tropical hurricane boiled slowly up the Gulf of Mexico tonight toward the rich coastal area between New Orleans and Appalachicola, Fla.

The New Orleans Weather Bureau located the "poorly defined" center of the hurricane at about 430 miles south-southeast of New Orleans in a 3:30 p. m. (CST) advisory.

Maximum winds of 85 to 95 miles an hour lashed the ocean for 100 miles east and northeast of the center, the advisory said. Gales extended out 250 miles northeast beyond the hurricane-force winds.

"The most dangerous spot seems to be the middle Gulf Coast," W. R. Stevens, supervising forecaster of the New Orleans Weather Bureau said. "This means the area between New Orleans and Appalachicola, Fla."

Another hurricane in the Atlantic Ocean to the east was about 430 miles east south east of Bermuda at 3:30 p. m. (CST), the Miami Fla., Weather Bureau reported in an advisory. The Atlantic hurricane with winds of 150 miles an hour, was moving north-northeastward at the rate of 14 miles an hour.

Fishing and shrimp boats along the Louisiana and Mississippi coasts and in Mobile Bay hurried to shelter as rain squalls kicked up the northern gulf. Swells as high as 25 feet were reported at the entrance to Mobile Bay.

Kessler Air Force Base at Biloxi, Miss., and Eighth Naval District Air Base in New Orleans started evacuating their planes, Brookley Field at Mobile made ready to evacuate its planes, including the giant Globemasters used to evacuate Korean wounded.

If the hurricane maintained its present direction and speed forward, it would strike the coast Thursday.

Stop that scratching!

4-H Club Boys Will Hold Pig Show At Clarkson Saturday

Eight 4-H club boys of the Clarkson, Burlington, Ben Arnold and Splawn Communities will show their registered Duroc gilts Saturday morning, September 2, at 9:00 a. m. at Clarkson.

The show will be held at the Will Kuhn farm 1 mile east of the Clarkson store, H. D. Maxwell, vocational agriculture teacher from Rockdale, will judge the swine.

Boys who will enter their hogs are Newton: Wayne Kuhn, Clyde Koenig, James Ray Lorenz, James Ernst of Clarkson; Franklin Holcek and Eugene Klein of Burlington; Billy Ray Reddehase of Ben Arnold; and Harold Gene Pimpler of Splawn.

This registered swine program for the 4-H club boys of Milam County is financed by the Sears Foundation program. Its purpose is to give worthy farm boys an opportunity to make money and to place better swine in the various communities in the county.

Davilla Man Not Killed In Korea; Dead Man Was Zavala Resident

Broadcast of war casualties listed a Davilla man as killed in action but this has subsequently been proven to be erroneous.

The dead man is Pfc Harold R. Jordan of Zavala.

Three war casualties were listed on last Thursday but a correction reduces the number to two although three in all have been listed as official casualties in the fighting in Korea.

Charlie Friemel of Burlington transacted business here one day this week.

Mrs. C. T. Hutto is among the patients ill and in Newton Memorial Hospital for treatment.

Wilson Produce Co. Big Factor In Egg Market Here; Grading Program Is Answer

Quality egg grading and improvement of poultry conditions began approximately five years ago in Cameron it was announced by Bassel Wilson, owner and operator of the Wilson Produce Company.

Mr. Wilson said that this service to egg producers was started by F. Z. Beanblossom of the Extension Service at A & M College in connection with Martin C. Peters then owner of the plant. He said that when he purchased the business he continued the year around grading program under the supervision of the Federal and State Departments of Agriculture and these departments placed grader-inspectors in the plant the year round.

During the past five years this firm has sold eggs to Army Camps, Government Hospitals, State Institutions and government organizations, who only purchased from government supervised plants.

This is the only government inspected egg grader in Milam County.

Mr. Wilson says that his firm is paying top prices for eggs. The present prices being paid for U. S. graded eggs are: Grade A large 40 cents per dozen; Grade A Medium 37 cents; Grade B Large 24 cents; Grade C 22 cents; Grade A small 18 cents.

Fredrick Micklink of Brownwood is the government inspector at the Wilson Produce Company and has been an inspector for the past 2 1/2 years.

Mr. Wilson said that farmers can realize a considerable amount of profit on their eggs by using the government grading system and that eggs should be marketed as often as possible and should be cleaned and kept in a cool place until they are marketed.

John C. White Leads McDonald By 11,499 Votes For Commissioner

Ben Ramsey, for Lieutenant Governor, and Associate Justice Meade Griffin, for Supreme Court, were the top vote-getters in the second Democratic primary last week.

The Texas Election Bureau, which issued its final unofficial total Tuesday, made a few additions of scattered votes that have come in since that time, and announced the following revised totals Saturday.

Lieutenant Governor—Ben Ramsey, 453,445; Pierce Brooks, 277,347.

Agriculture Commissioner—John C. White, 354,179; J. E. McDonald, 342,730.

Court of Criminal Appeals—W. A. Morrison, 395,919; R. L. Lattimore, 277,969.

Supreme Court, Place 1—Will Wilson, 392,233; Fagan Dickson, 297,070.

Supreme Court, Place 3—Meade Griffin, 445,243; George Harwood, 230,514.

The bureau's margin for White, in the close Commissioner of Agriculture race, was 11,449 over the veteran incumbent, McDonald. The bureau expects White to lead by about 13,000 votes on official and complete returns. The bureau has received reports from all 254 counties, but only 230 are complete.

CAMERON FINDS LAB RACE COMPLICATED

WASHINGTON, Aug. 30 —Ten Texas cities have submitted bids for a proposed \$11,000,000 army quartermaster corps research laboratory.

The secretary of defense is considering the project. The site selection committee of the research and development board of the department will meet Sept. 15 to consider the proposals.

A total of 289 proposals from 40 states have been submitted to the board.

The Texas cities bidding for the project include Fort Worth and Palestine, each offering five possible sites; Athens and Lufkin, two each, and one each at Belton, Brownwood, Cameron, Dallas, Whitney and Chilton.

Both Belton and Cameron submitted detailed briefs, documenting the facilities and advantages of each community as a site for the laboratory. The requirements as set forth by the Defense department are rigid, particularly as to the immediate availability of large amounts of water.

Thinking of the Long Pull?

Better Buy Buick!

If that car of yours has put its best days behind it, there's no time like right now to think about starting out afresh with a taut, new, up-to-the-minute motorcar with all its mileage still in it.

And there's no better place in the world to start than with the beauty pictured here, for a variety of reasons.

For one thing, this Buick SPECIAL is a quick-stepping Fireball valve-in-head straight-eight that's priced lower than some sixes.

For another, it's built with typical Buick ruggedness through and

through—a husky that can take a lot of years without crying "Uncle!"

Then, too—this high-styled beauty is proving to be one of the most economical Buicks ever built—easy on gas, easy on upkeep, easy on you in its soft, floating, light-handling comfort.

It even comes with Dynaflo Drive* if you like—and Dynaflo means that you will never have to service or replace a friction clutch, and that rear-end or transmission servicing—even engine upkeep—are cut to a minimum.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Of course, you can't see all of this in the brief span of a trial drive.

But you can experience the good solid feel of Buick strength beneath you. You can satisfy yourself on the lightness of the controls, the utter smoothness of Dynaflo, the quick surge of Buick's Fireball power.

All such things will tell you that this is a car you'll be glad to live with for a long time to come—and you need only to ask your Buick dealer for a demonstration to see precisely what we mean.

Why not call on him soon to talk about signing up?

TAEGU IN PERIL—

(Continued from page one)
tion as "critical," and sharply curtailed the coverage of Korean war news.

A spotter pilot reported he had seen American and South Korean troops in the town, which the Reds might use as a springboard for a new drive on Taegu, the nerve center of the Allied military operation in Korea. From the town they also might thrust southward toward the all-important port of Pusan.

American reinforcements were pushed to the critical northeastern sector and opened a counterattack northwest of Kyongju this morning, a front dispatch reported. The drive apparently was aimed to relieve the threat to Yongchon, and by noon the troops of the U. S. 24th Division had gained up to two miles against only light opposition.

Shortly before the American and South Korean counter blows were reported, Lieut. Gen. Walton H. Walker said at Kyongju that he was optimistic. Walker, Eighth Army commander, said he felt that the Americans were going to be able to regain the ground they had lost in the north.

The southern front along the lower Nakdong River and south to Masan has been "secured," Walker said.

As Walker expressed confidence that the U. N. Forces would be able to restore their northern front, the Reds had swept into Pohang and forced the South Korean defenders back almost three miles on the eastern anchor of the U. N. northern line. Twenty five miles to the west they had pushed ahead 5 1/2 miles to take Yongchon, and these drives had forced the U. S. Cavalry Division at the western end of the front to pull back about three miles north of Taegu to straighten the line. The Americans set up a new line astride the "Bowling Alley" road nine miles north of Taegu.

The Alamo

Texans revere the Alamo
Once beleaguered by Mexican
Hordes
There martyrs died for freedom
With brave hearts and trusted
swords,
Their hearts knew well the hazards
Surrounding stone battlements
there,
And well they knew the enemy's
strength
Left them not a man to spare.

But they died like men, even Bowie,
As he lay on his pain-wracked bed,
And when free men die like heroes
Only their bodies are dead.

For while the murderous Mexican foe
Took the lives of this valiant few
Even then, the Lone Star was rising
To rest in soft skies of blue!

Sam Houston and San Jacinto!
Brave men with their souls on fire,
Avenge the cruelty shown those men,
Which had fanned the Texan's ire.

The Alamo is a sacred spot
Where a busy city roars
And every Texan doffs his hat
When he passes through its doors.

For to Texans, it is a holy place,
So quiet, so still, inside,
We can almost imagine we see them
there

Our brave Texas heroes who died!

Ben Arnold Man Is Pitching In Evangeline League for Baton Rouge

John Murff, son of Louis Murff of Ben Arnold was recently selected as the "Rookie of the Year" in the Evangeline League in Louisiana where he is pitching for the Baton Rouge team.

Mr. Murff is a 1948 graduate of the Rosebud High School where he participated in all sport activities during his high school years.

Two months ago he was employed at Texas City with a Chemical Company but decided to join the Baton Rouge team upon the insistence of friends who had seen him pitch. His selection as the rookie of the year justified their claims.

Mr. Murff has recently finished 13 consecutive wins against 3 previous defeats. His batting average is .333.

Billy Ray Reddehase Wins 4-H Hog Show At Ben Arnold Saturday

Competition was strong at the 4-H Hog Show Saturday at Clarkson as Billie Ray Reddehase of Ben Arnold placed his classy Duroc gilt at the head of the class with seven other very nice gilts crowding him.

Second place went to Franklin Holcek of Burlington; third place, Clyde Koenig of Clarkson; fourth place, James Lorenz of Clarkson, and fifth place went to James Ernst also of Cameron.

H. D. Maxwell, vocational agriculture teacher from Rockdale, judged the animals and complimented the boys for an outstanding job. Other boys who showed swine were Eugene Klein of Burlington, Harold Gene Pimpler of Splawn and Wayne Kuhn of Clarkson.

Reddehase will show his top gilt at the Waco District Show on September 9, according to J. D. Moore, County Agent. These boys have further plans to show their animals at the Temple Fair in September.

Mr. and Mrs. R. L. Storey, Yvonne and Mrs. Jane Smith have returned from a visit with Mr. and Mrs. Storey's children in Houston and other relatives in Corpus Christi. Returning to Cameron Mrs. Smith received a back injury when she was thrown from the seat of the automobile as the car hit a chuck hole on a detoured road. She is in Newton Memorial Hospital and her many friends wish her a speedy recovery.

Mr. and Mrs. Clarence Hertenburger were visiting relatives in Cameron this week. Mr. Hertenburger who is employed with the Santa Fe Railroad was transferred to Temple from Brady. Mrs. Hertenburger who is the former Annette Price held a position with the Branon Real Estate in Brady. They will make their home in Temple.

Mr. and Mrs. A. E. Pool of El Paso and Frank Pool of Big Springs left Tuesday for Houston enroute to their homes after spending a pleasant week end in the home of Miss Susan Pope. They attended the Cemetery Association meeting at Jones Prairie on Sunday.

Shack Shafer of Hanover was a business visitor in the city Wednesday morning.

Week end guests in the home of Mr. and Mrs. J. L. Slaughter were their nephews, Edward and Fred Harvey Gandy and niece, Mrs. Westgate all of Houston.

YOEMEN ARE EATING UP HARD WORK SCHEDULE

Coach Paul Smith, who does a lot of hard work, and a minimum amount of talking, reports that after almost two weeks of gruelling schedules that his charges are standing up well and he hopes to field a football team this fall.

The Yoemen will open the season on September 8, at West, and then will follow on September 15 a game in Caldwell. After that the Yoemen will make their home appearance for the 1950 season on September 22 against Brenham.

Stripped down to a bare chassis, the Yoemen machine had to roll out on the field with only eight returning lettermen. Many of the important positions in both the line and the backfield will have to be manned by boys coming up from the B squad.

Coach Smith is doing a bit of weeping and certainly has the right to moan a little bit over his prospects. The boys, some 80 of them, will not agree, for they have that old spirit and are working hard, and they believe in themselves and their chances on the gridiron this fall. This makes a whale of a difference, but Coach Smith is not only a good coach, but believes in facing the facts as they are and he is giving every credit in the world to the boys who are out there plugging to make that starting line up.

The school will open Friday, September 1 with registration, and everybody will get down to business by Monday.

In 1949 under Coach Smith, the Yoemen turned in a grand season and were nosed out of the championship by Rosebud only after they had to play a game on the Jinx field in Temple, for they defeated Rosebud 7-0 in their regular scheduled game.

Prospects were none too good, but they were none too dark, for the Yoemen have faced such difficulties before to come out on top.

Fans who want to get a preview of what the maroon and gray will look like this fall can go out to the stadium any evening and witness the rough and tumble schedule of getting the boys in shape.

Melvin Farmer of Cameron is in Newton Memorial Hospital suffering from injuries he received in the Santa Fe train wreck near Lampasas several days ago.

Mr. and Mrs. H. P. Culpepper, Miss Helen Reichert of Cameron and Mrs. Lorraine Matthews, Mr. and Mrs. Edwin McNeal of Hearne attended the Dallas Gift Show Monday and Tuesday of this week.

Miss Nancy Kubish has returned from a weeks vacation from Bryan where she visited Miss Rose Marie Moraw.

Fred Johns has returned from a weeks visit in Freeport.

Mrs. Tom Turner has returned from a visit with her daughter-in-law Mrs. V. A. Turner and two sons Tommie and Garry in Seguin. Mrs. Turner's son M-Sgt. V. A. Turner is in the Air Force now stationed in Japan.

Mr. and Mrs. Jesse E. Holloway made a business trip to Temple recently.

Leroy Prat, son of Mr. and Mrs. Ernest Prat is ill and in Newton Memorial Hospital for treatment.

Fritz Miller and son of Bryan visited relatives in Cameron the past week end.

Rev. James McKeown Guest Speaker At Lion's Club Luncheon

Rev. James McKeown, Rector at All Saints Episcopal Church, was guest speaker at the Lion's Club Luncheon Tuesday.

Rev. McKeown gave a discussion on the conflict in Korea and pointed out how the present day turmoil in the world today is the carrying out of the prophecy of the New Testament. Rev. McKeown gave several illustrations from the Bible on plans God has for man.

After the discussion a preliminary report on the carnival last Friday and Saturday was given.

Next week the club plans to have the coaching staff from Yoe High School as guests. The staff is composed of Coach Paul Smith and Coach Dick Young of the A Squad and Coaches Gene Williford and Don Ross of the B and C Squads.

Mrs. Bonnell Depew who had an appendectomy at St. Edward Hospital recently has returned to her home and is much improved. Mrs. Depew is employed with the Swift Theatres here and her many friends wish her a speedy recovery.

Mrs. Griffin Burnett of Beaumont is visiting relatives in Cameron this week.

Friends of Tommy McGoldrick will regret to learn he is ill and in Newton Memorial Hospital for treatment.

Johnnie Bingham, son of Mr. and Mrs. Robert Bigham is among the patients ill and in Newton Memorial Hospital for treatment.

November Draft For 70,000 Decried By Selective Service

WASHINGTON, Sept. 5—The Army today called for 70,000 draftees in November, a 40 per cent increase in a month.

The announcement may mean a raise in the authorized 1950 draft totals. Here is why:

Selective Service Director Lewis B. Hershey has stated he is authorized to draft 185,000 in the last four months of this year. September and October calls totalled 100,000 for the Army. The increased call for November will leave a margin of only 15,000 for the December draft, but the President can increase the authorization. Military officials believe that such a year-end increase is likely.

May Lift Age Limit

The planned Army buildup to meet Korean war needs and the overall expansion program now before Congress calls for an Army strength by next June of 834,000. This is 242,000 more men and women than were on the Army rolls at the outbreak in Korea. It is 204,000 higher than the budgeted strength for the Army at the end of June.

The Army is considering Congressional proposals that the upper age limit for the draft be lifted to 35. Local draft boards are now selecting single men 19 through 25, who are not World War II veterans.

CITY HEARS REPORT ON HIGHWAY 36 PROBLEM

Progress on Highway 36 right-of-way through the City of Cameron is being made, according to O. B. Horstmann, chairman of the committee.

Other members of the committee are Drayton McLane, Leo Fuchs and Lester Glass and a report was made to the City Council Tuesday night.

It was disclosed that three property owners have not stated what they will take for their property. A list of property owners as compiled by the committee is being prepared by W. H. Stafford, city secretary and will be ready for publication soon.

There is considerable "trigger work" involved in acquiring some right-of-way property and the city, if it agrees, to compensate these property owners will have to pay for other property and open up some streets. As soon as these facts are known the problem will be understood.

One of the transactions is with the School Board and they want a site near the schools in exchange for a street through the old grammar school campus. It was understood that John Henderson, for the Henderson Estate, is asking for another street to be opened East and West south of the property being considered for improvements on the new highway.

It is not known how much money this will cost the city nor is it disclosed how much money is involved in paying for other property. The city will have to finance the right-of-way through issue of bonds or warrants.

Mr. and Mrs. Edwin Hamilton of Alamogordo, New Mexico are visiting her father, S. W. Law and brother, Roy Law and family here. Mrs. Hamilton will be remembered here as the former Miss Ludie Law. Mr. and Mrs. Hamilton are teachers in the Public school at New Mexico and in the summer teach at Vinton, Iowa.

Court House Square To Get Meters: Council Votes for Installation

Parking meters will be installed around the Court House Square.

The City Council voted to purchase these additional meters and to instruct the company to proceed at once to install them.

The Court House square was left out of the original plan for meters and a certain amount of satisfaction accrued to space hogs who could shove the country people further away. Now more space will be available for parking for those who come here to trade.

The city claims ownership and control of the streets and sidewalks. Whether the County will agree remains to be seen.

Parking meters around the Court

House Square would do away with the only Farmers Market we have but if space is allowed for these and other free operations there will be no space for meters.

The City Council is considering placing meters on other streets near the Merchantile area.

In the meantime Mrs. Canasta was parking her car without putting a coin into the meter box.

Mr. and Mrs. Junior Smith of Ft. Worth spent the past week end visiting relatives here. Mr. and Mrs. Smith were married in Dallas August 13. Mrs. Smith is the former Miss Janet Bain of Angleton. Mr. Smith is a former salesman for Cameron Gas Equipment Co. here and is now employed with the Vultee Air Craft in Fort Worth where the couple will make their home.

GOOD CORN CROP IN COUNTY IS REPORTED

The loan rate on corn in Milam County is \$1.06 a bushel, it was announced by Alva E. Sanders, District Manager at the PMA.

Texas is classified as a non-commercial corn producing state and the loan rate is based upon 75 per cent of the commercial area rates, applying to such states as Iowa and Illinois.

An official release from the PMA office shows that Bell County received \$1.06 but the Temple Telegram announced that Congressman Poage has said the loan rate in Bell County is \$1.09.

It was estimated here by Mr. Sanders that Milam County would produce in excess of a million bushels of corn. Of course this is only a rough estimate and the acreage is larger than for any previous year in recent history. Favorable weather brought a good crop to the farmers.

Cameron has adequate storage space for all grains but since the current market price of corn is in excess of the loan rate it was not expected that farmers would be interested in storage of corn unless the price falls below the loan rate.

Miss Sammie Dell Markham, student at Draughon's Business College in Dallas spent the week end with her mother, Mrs. Florence Markham. Miss Billy Lumes of Hearne also a student at the college visited Miss Markham in Cameron Sunday.

Stanley Pratt was a Cameron visitor Tuesday afternoon.

TRUMAN CALLING FOR THREE MILLION MEN

WASHINGTON, Sept. 1.—President Truman said tonight the Korean invasion has "reached its peak" and will be crushed but that the threat of Communist aggression elsewhere will require U. S. devotion to world peace and freedom and pledged it will be won regardless of what sacrifices may be necessary.

He said that Hitler and the Japanese Generals made a mistake 10 years ago in thinking that the United States could not mobilize its strength in time to defeat aggression and warned:

"Let would-be aggressors make no such mistake today."

He called for stepped up production of guns, tanks, planes and other military equipment, with a corresponding belt tightening on the home front.

His goal of 3,000,000 men under arms, a doubling of present American armed strength, outstripped the recent talk of military planners for a force of 2,500,000 by next June. It foreshadows heavier calls for reserves, National Guardsmen and draftees.

"Our present plans call for increasing (the services) to close to 3,000,000 men," he said, "and further increases may be required."

Even before the President's announcement, Chairman Carl Vinson, Democrat of Georgia, of the House Armed Services Committee, said Congress may be asked in January to raise the top draft age from 25 to 35.

Vinson said the military may also seek the right to induct single World War II veterans, who are now exempt by law.

Mr. Truman also is expected to rescind an Administrative order which now bans the drafting of married men and father in the 19 through 25 age group, even though they have had no previous service.

Maj. Gen. Lewis B. Hershey, selective service director, told Senators Thursday that the draft would have to reach into the ranks of World War II veterans if the mobilization goal went as high as 3,000,000 men.

Mr. Truman made plain that draft boards will be a familiar part of the American scene for many years.

"We shall have to maintain larger forces for a long time to come," he said.

He did not indicate how the expanded manpower quotas will be divided among the Army, Navy and Air Force.

But he disclosed that five divisions of army troops already are committed in the Korean war and said "more men are on the way." Thus it is likely a large part of the additional manpower will go into building up the Army.

Courting four National Guard divisions called into service recently, the Army now has plans for 15 divisions. Russia is believed to have 175 divisions.

Judge Morrison Is Rotary Speaker Here

Judge W. A. Morrison, who will become a Court of Criminal Appeals Judge on January 1, was guest speaker Wednesday at Rotary Club.

Judge Morrison discussed the duties of members of the Court and pointed out the difference between this court and the Supreme Court. In his talk, Judge Morrison said that people should not engage in premature or unjustified criticism of public servants who have been elected to serve them. Criticism often results in a lower value being placed on institutions of Democracy.

Judge Morrison was elected to the Court of Criminal Appeals in the run-off primary on August 26 by a majority of more than 100,000 votes.

Clint Lewis of Caldwell, newly elected County Judge of Burleson County made a short visit in Cameron Friday where he called on several friends. Mr. Lewis is former sheriff of that county.

Former Yoeman To Enroll At Texas A & I

Bob Holloway, former star Yoeman, will leave Saturday, August 26, for Kingsville, where he will enroll at Texas A & I College for the fall term.

Bob was recently contacted by officials of the college and has agreed to play position of guard on the A & I team for the 1950-51 season.

He will be remembered by football fans here as end wearing No. 72 jersey on the Yoeman team of '48. His outstanding work paid off with an offer to play at Schreiner Institute at Kerrville. He accepted and played with this team for two years. During the last spring term, he received spring training at Baylor University.

Bob is majoring in physical education and his ambition is to make foot-

ball coaching his career. He is the son of Mr. and Mrs. J. H. Holloway of Cameron.

Mrs. C. R. McLendon of Houston is vacationing in the home of her mother, Mrs. Dora Hinton at Hotel Cameron here this week. Mrs. McLendon has recently accepted a position as Secretary and Photographer with the Benz School of Floral Design in Houston.

Mr. and Mrs. J. Y. Houston and son of Freeport were visitors here for the week end. Mr. Houston is a former employee of Hefley-Stedman Motor Co. and is now with the Air Port Garage in Freeport.

Gigantic Ford Economy Run shows what Ford Truck owners have known all along—Ford operation is amazingly thrifty.

Every model of the famous Ford Truck line is entered in Ford's gigantic, 48-state Economy Run. Every type of job and occupation all across the nation is represented.

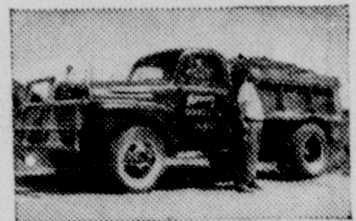

All four of Ford's great truck engines—the 95-h.p. and the 110-h.p. Sixes, the 100-h.p. and 145-h.p. V-8's—are now demonstrating what most truck owners have found out for fact—a Ford Truck engine uses less gas to give you the power you need for your job.

On-the-Job Proof! This amazing Economy Run started July 1 and will run to December 31, 1950. Thousands of Ford Truck owners are keeping authentic day-to-day records of gas and oil consumption, of repairs and maintenance—of miles travelled, of loads hauled. The result—the most comprehensive demonstration of operating economy in truck history.

Get in on that money-saving Ford Truck economy now! Your Ford Dealer will show you how a Ford Truck will save money on your job. See him today!

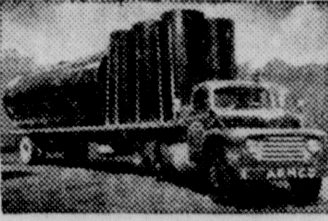

Des Moines, Ia. Carl Nixley, Superior Oil Co., states that these Ford F-8 tank-trailers Big jobs average six miles per gallon under heavy load. No repair expenses since they were bought!

Houston, Tex. Russell R. Brient of Nursery Service Co. has used Ford Trucks since 1920. This is one of his F-5 Dumps. He says he's found them more economical than any other truck in their price field.

Alexandria, Va. The Metal Distributing Co., Inc., of Alexandria, places this Ford F-7 in Ford's nationwide Economy Run. Records of its daily operation will demonstrate Ford Truck economy in this industry, too.

East Point, Ga. Walter C. Jones of Armac Drainage and Metal Products, Inc., in his Ford F-6 Tractor-Trailer. He states he's more than willing to show his Ford's economy!

Hyattsville, Md. Ernest Maier, Inc., pauses midway in a hauling job to show their fine, economy-minded Ford F-5 under load. The records kept will prove the economy of this Ford model.

Port Huron, Mich. Both driver and owner stand beside the Ford F-5 Platform job of the Wilbert Burial Vaults Company. Ford's Economy Run is covering every truck-using occupation!

Houston, Tex. A. L. O'Quinn of Magnolia Service has entered his Ford F-1 Pickup in the Economy Run, too. He says it's in a class by itself for day and night dependability and economy.

Join the thousands of economy-minded truck owners who are changing to Ford —SEE YOUR FORD DEALER!

Bernard E. Polzer Enlists In Marine Corps At Waco

Bernard E. Polzer, son of Mr. and Mrs. S. F. Polzer, Sr., Route 1, Cameron, has enlisted in the United States Marine Corps, according to M-Sgt. M. D. Free, recruiter in charge of the Waco Marine Recruiting Station.

Bernard graduated from Yoe High School in 1947 and attended Draughn's Business College. For the past two years, the Cameron leatherneck, up to the time of his enlistment, was employed by the Citizens National Bank as a bookkeeper.

The highest score that has been recorded by the Waco Office on the Armed Forces Qualification Test was made by Polzer.

He left for San Diego, California where he will be in training at "boot camp" for eight weeks. It is this training that builds the discipline, morale and "Esprit De Corps" that has made the United States Marine Corps world famous.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. A. J. Moraw announce the engagement and approaching marriage of their daughter, Rose Marie, to Willie J. Randermann, Jr. of Cameron, son of Mr. and Mrs. W. J. Randermann, Sr., Saturday, September 16, at 3:00 P. M., at Hope Lutheran Church, Buckholts, Texas.

Miss Edith Baldridge and Dorothy Jean Johnson attended the Revival at Marlow Baptist Church Tuesday night.

Bob Blake who was in a Galveston Hospital several days has returned home much improved.

TAEGU BREAK THROUGH IMPERILS U N FORCES

TOKYO, Tuesday, Sept. 4—Korean Red forces poured unchecked today through a gap at the northeast end of the United Nations defense line and menaced Taegu from a new direction—the east.

That advance American supply base with its network of highways and railroads already was under Red pressure from the northeast, north, northwest, west and southwest.

Associated Press Correspondent Leif Erickson reported that flying column of Communist tanks and soldiers was headed toward Taegu from the vicinity of Kyongju, important road junction 35 miles to the east.

A U. S. Eighth Army communique acknowledged that the Reds were pouring "through" the crumbled South Korean capital division south of Kigye and regrouped forces "have been unable to stop the advance."

The break through was achieved yesterday near Kigye, nine miles inland from the port city of Pohang which still was in United Nation's hands today. at the South Korean Third Division, defending the port on the north, was heavily attacked at dawn by Red soldiers and tanks.

Meanwhile Red columns streamed south of Kigye through the shattered South Korean capital division. The U. S. Eighth Army communique said the Reds have "crossed the Pohang-Yongchon road in force."

That east-west road goes through the town of Angang, six miles south of Kigye. The communique said the town changed hands twice yesterday and its status today was "unconfirmed."

But other Red forces bypassed it in a two-pronged push that carried one spearhead 12½ miles to the vicinity of Kyongju. From there highways and railroads lead west to Taegu, north-east to Pohang, and southeast to the U. N. 's lifeline port of Pusan.

Belted by heavy rains, the U. S. First Cavalry Division, defending Taegu from the north and northwest,

RAIN SQUALS OCCUR OVER A WIDE AREA

Cameron may receive some rain late Monday or Tuesday from a light Gulf Hurricane that has already passed along the West Florida Coast.

The big Gulf hurricane with winds up to 120 miles an hour had passed around the Florida Keys and was sweeping into the Atlantic.

Still a third hurricane was several hundred miles off the coast of Cuba and moving slowly in the direction of the Texas and Louisiana coast. This blow was too far away to be of any immediate danger but was being watched.

Rains were falling over scattered areas of the South and West and East Texas along the Louisiana coast would get showers during the next 24 hours. No wind damage was expected to result from the midget hurricane.

Miss Yvonne Storey is visiting her parents in Houston this week. She is expected to return Saturday.

LOCAL WOMANS BROTHER DECORATED IN KOREA

Maj. Gen. William B. Kean Monday pinned a Silver Star medal and the bars of a second lieutenant on Sergeant Corbin H. Bridges of 5603 Wirsing Avenue, Fort Smith, Ark.

Bridges got the medal and battlefield promotion for knocking out a North Korean tank while under fire. He stood 20 yards from the tank which was mowing down American soldiers with its machine guns, and silenced it with a 3.5 bazooka.

Still under fire, he killed three red soldiers with a hand grenade when they fled from the tank.

He is the brother of Wayne L. Bridges, Arkansas most-disabled veteran of World War II, for whom the people of the state built a home, and for several months lived in Cameron with his sister, Mrs. Leo Pate.

Lt. Bridges has had eleven years of service; was at Pearl Harbor when the Japs struck and was in the Belgium Bulge during World War II. He writes home that World War II was nothing compared to this one. His wife and baby daughter, Sandra live in Japan.

ONE DEAD AND TWO MISSING IN FIGHTING

War casualties among Milam County men serving in the Korean War were mounting.

Early Friday morning a radio broadcast listed a Davilla man as killed in action but the name was not available at the time this newspaper went to press.

Allowance made for a possible error in the announcement.

PFC. Ivy Baccus of Rockdale, son of Mrs. Vander Baccus of Tanglewood, is reported missing in action since July 16. Grave fear was felt for his safety since the massacre of Americans captured by the North Korean Reds.

Willie E. Roseman of Maysfield has been wounded in action in the violent fighting on the Taegu Front in Korea. He is a member of a Negro Division that has distinguished itself in all actions in the war so far. No further details were available on these developments.

PFC. Garza of Rockdale had been previously reported missing in action in early July, making a total of 4 Milam County men to be listed as casualties in the Korean conflict.

Mrs. Grady Gill and Mrs. Minnie McFarland attended the funeral of Mrs. McFarland's brother, Felix Bonnet held at Cedar Park Monday of this week.

Santa Fe Passenger Train Leaves Rails and 45 Passengers Injured

Forty-five persons were injured, none of them apparently seriously, when the Santa Fe's Diesel passenger streamliner No. 76 hit a broken rail and spilled two coaches, a diner and a club car down a 10 foot embankment 12 miles west of Lampasas about 3 a. m. Thursday. The train carried 85 passengers, most of whom were asleep at the time of the accident.

Three sleepers left the track, but did not overturn.

The engine and two mail-baggage cars did not leave the tracks.

Deputy Sheriff Henry Cunningham of Lampasas said one of the coaches roled over and landed on its wheels again.

The train was enroute from Los Angeles to Houston.

Santa Fe officials announced last night that the wreckage had been cleared and 16 sections of damaged track repaired by 5 p. m. and that normal traffic was going over the line.

Injuries varied from minor cuts and bruises to shock and a fractured scapula.

Dr. John R. Winston of Temple, Santa Fe Chief surgeon here, went to the scene of the accident with an emergency crew and gave early treatment to the most seriously injured before they were taken to Lampasas, Belton and Temple hospitals.

Central Texans injured were: J. P. Butler, conductor, Temple, bruises; Owen Moore, Santa Fe news agent, Temple, cuts and bruises; Bernice Petty, Marlin, cuts and bruises; L. R. Lucas, Waco, cuts and bruises; John W. Graves, Killeen, cuts and bruises; and four negroes from Cameron, Udysses Wells, bruises, N. W. Wells, bruises, J. B. Wells, lacerations, and Melvin Foreman, cuts and bruises.

Many of the injured were given treatment and taken by bus to Temple to make train connections on to their destinations.

Mrs. Mae Hearne of San Antonio and Morgan Smith of Austin were week end guests of Dr. and Mrs. E. P. Smith here.

Monte Angell of Cameron and J. E. Whitley of Splawn were guests in the B. F. Angell home in Brazoria over the week end.

18,000 BALE CROP IN PROSPECT FOR COUNTY

New cotton was coming in rapidly at the Cameron Compress and up to Saturday morning a total of 3,668 bales had been received it was reported by P. W. Davis.

This figure compares favorably with receipts last year and is higher due to the fact the crop matured early. The 1950 crop will be short and in some cases farmers report they already have completed their harvest.

It is being estimated here that not more than 18,000 bales will be produced in the County because of reduced acreage and continued drouth. Cotton was bringing around 40 cents and seed were also bringing a good price and if production had been fair the farmers would have had above normal income since corn and other grain crops are bringing fancy prices.

A short harvest season is certain. There is an adequate supply of labor and pickers generally are seeking the farmer because of the shortage of cotton in this area.

Sunday guests in the home of Mr. and Mrs. Clem Zarosky were Mr. and Mrs. Frank Gurecky, Sr., Mr. and Mrs. Al Gurecky of Ennis, Mrs. Julia Goffiery of Dallas, Mr. and Mrs. John Gurecky of Marak and the following from Cameron, Mr. and Mrs. Felix Matula, Sr. and family, Mrs. George Matula, Mr. and Mrs. John Kocurek, Mr. and Mrs. August Gurecky and daughter, Mr. and Mrs. Frank Plachy and Mr. and Mrs. Joe Gurecky and son Ralph.

4 WRECK SURVIVORS IN LOCAL HOSPITAL

Victims of the highway crash east of the city early Friday morning were reported to be still in critical condition at a local hospital but were making some progress.

Dr. J. L. Walker, attending physician said the patients are doing well and James E. Curl of McAllen, driver of the car that crashed with the truck would be taken to surgery Saturday morning. He is reported to have sustained severe head injuries.

Mrs. Helen Floerchinger of West Branch, Iowa, who was thought Friday to have been in danger of losing her life was showing surprising recovery and appeared to be making good progress Saturday morning.

Frank Floerchinger, 55, is dead as a result of injuries sustained in the accident and his body is at the Marek-Burns Funeral Home and due to the condition of his wife no arrangements had been made for a funeral. Mrs. Floerchinger had not been told Saturday morning that her husband is dead. Dr. Walker said the information would be communicated to her as soon as her condition will permit.

Mrs. E. E. W. Hardwick also of West Branch, Iowa is in the hospital and likewise is making some progress.

John Lee Riley, negro of Temple, driver of the Temple Coal and Feed Mill truck was slightly injured but was released after treatment at a local hospital.

The wreck occurred at the intersection of highways 77 and 36 east of the river. The passenger car was hit by the truck as it moved into the intersection and an early morning rain is believed to have obscured the approaching loaded truck. The passenger car was traveling north in the direction of Cameron while the truck was proceeding east toward Milano. The passenger car was thrown from the highway and overturned according to information.

Mr. Floerchinger died within 1 hour after he had been taken to a local hospital by an ambulance from the Marek-Burns Home.

Farmers Here Are Asked to Attend Big Field Day Wednesday

(From the Daily)

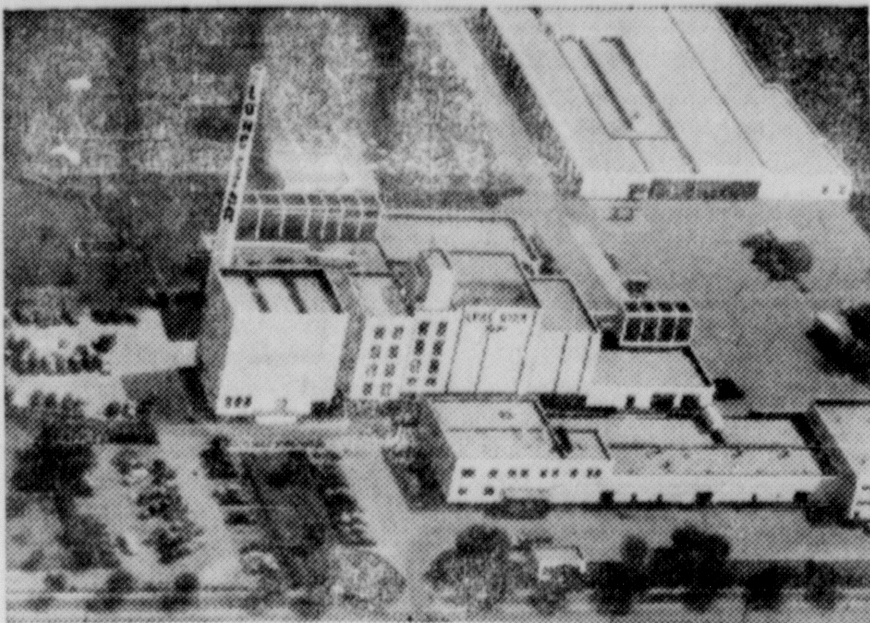

The Blackland Experiment Station in Temple will sponsor a cotton Field Day Wednesday, September 6 at 1:30 P. M.

The purpose of this field day is results of cotton variety tests run by the station; a cotton defoliation and a mechanical cotton picking demonstration.

All of the above demonstrations will benefit cotton farmers in Milam County and should be seen.

J. Max Howard, Chairman of the Crops and Conservation Committee of the Chamber of Commerce, has urged that cotton farmers in this area attend and any one desiring transportation may come to the west side of the Court House on Wednesday at 12:45.

This demonstration should interest farmers in this area as many have utilized insect control measures and have carried out conservation practices this year.

FLOOD WATERS REACH RIVER AT CAMERON

Little River had risen around 8 feet by mid-morning Tuesday as the result of flood waters on the shed in Bell County.

Torrential rains ranging all the way from 4 to 15 inches fell in the Killen area and on the water shed of the Lampasas and Leon Rivers Sunday night.

L. W. Smith, Water Superintendent here, was keeping in close touch with the river and said that flood waters began flowing past Cameron late Monday.

From 8 p. m. Sunday to 5 a. m. Monday it rained torrents—one report was 15.5 inches—in Cedar Valley, west of Salado, washing out roads, bridges and fences and drowning many sheep in the pastures.

In the Killen and Fort Hood areas one of the heaviest cloudbursts to hit there in many years filled streets to curb tops and slowed highway traffic almost to a standstill. Pavement in many Killen streets was torn up by the torrents which surged down them at the peak of the downpour.

The rains were expected to delay cotton picking in some areas over Central Texas where enough fell to muddy fields, but little damage to the crop itself was expected except where the rain fell hard and long enough to knock the lint from the bolls. Fortunately, most of the long, hard downpours were reported in the primarily ranching sections.

Dr. J. R. Johnston, superintendent at Blackland experiment station, said the rain would probably result in some discoloration of the lint, but that he doubted if it would be enough to lower the grade.

Continued wet, cloudy weather, however, could delay picking enough in this area that the migratory cotton pickers would leave for cotton fields further to the north, leaving a shortage of harvest labor here.

The cloudburst in west Bell county sent the Lampasas river on a 15-foot rise early Monday. Flash floods were also reported on Cowhouse creek and Salado creek.

Nolan creek rose to an eight-foot crest in Belton, spreading into the park as far as the band stand and tennis courts by 9 a. m. Monday, then quickly receding into its banks.

The Leon hit a peak of 7.56 feet at 1:30 p. m. Monday, Homer Smith, employee at the Temple water department's pump station, reported. By sundown it was falling, but was still running high over the dam just below the Highway 81 bridge.

Most of the Leon floodwater was

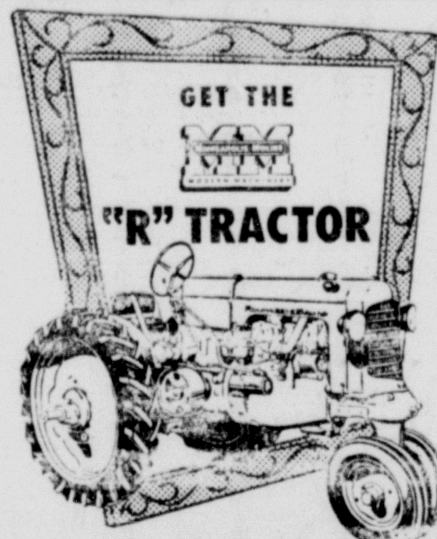

believed to have come down the Cowhouse, which drains the Killen and Fort Hood areas.

Mr. Smith said that old timers along the Little river in Milam county did not expect any appreciable overflow during Monday night, but that several of them were going to remove livestock from the river bottom just in case more rains should cause more flash floods.

Gatesville reported 3.1 inches of rain about midnight Sunday and sprinkles throughout the day Monday. The Leon was on a slight rise there.

Hamilton reported 2.5 inch rain between 10 o'clock Sunday night and 6 o'clock Monday morning. More fell around 9 a. m. Monday.

Cranfills Gap, between Hamilton and Meridian, was reported to have received about six inches of rain early Monday morning. That area drains into both the Leon and the Basque watersheds.

PARKING METERS

(Continued from page one)

salary of Marshall Terry, who superintends the meters.

Alderman Bob Terry offered a motion that was carried to raise the salaries of Mann Arnold, night deputy marshal and Dick Harris, also a deputy, of \$20 per month each.

W. H. Stafford, city secretary, requested a raise of \$25 per month in the salary of his secretary, Naomi Needham. This request was referred to the finance committee and no doubt will be approved at the next meeting because Mr. Stafford said that since the parking meters were installed they have to count the money, take it to the bank and keep an account of it.

Three of the salaries raised are to be taken out of the parking meter fund. You remember the council was going to build streets with this money but now they have decided to "lop it off" for salaries. The company who installed the meters gets half of the income.

The finance committee said that Mr. Terry would have to have some help in supervising the meters and Bill Richter will assist him.

Mr. Richter has already been helping to take the money out of the meters every Thursday.

Frank Richter will, under the new arrangements, repair the meters. Increases in salary for Arnold and Harris will come out of the general fund. The total income for the month from the meters was \$1,059.91 and when all deductions were made the city had \$581.58.

Speaking of salaries, a statement presented to the council discloses that it took \$1,701.70 to pay salaries at the Water Company. The gross income from the department for the month was \$4,481.12 with deductions of \$579.26 for office supplies, \$203.94 for plant supplies and \$1.23 for maintenance expense. This left a net of \$1994.99.

Miss Virginia Brown has transferred from Draughon's Business College in Dallas to Draughon's in Wichita Falls. Friends will want to learn of this change.

Mrs. Walter Harris and daughter Verna and Mr. and Mrs. Vernie Miller visited Mr. and Mrs. George Gamble at Sharpe Sunday.
